

BLACK & VEATCH

Knowledge Network

Explore How BVKN Can Expand Your Career Options

The Black & Veatch Knowledge Network, LLC (BVKN) provides professionals who prefer an independent career path the opportunity to be considered for on-demand contract work within our Black & Veatch Management Consulting business unit.

Many professionals today are exploring the flexibility that a contracting career path can provide. As a member of the BVKN, you can have the flexibility to accept roles that best align to your schedule as well as to your areas of focused expertise. As leaders in providing management consulting solutions to clients around the world, our breadth of projects is impressive.

As a member of this network, you may have the opportunity to be a part of some of these unique and complex consulting projects that focus on:

- Improving asset, organizational and financial performance
- Securing critical infrastructure against physical and cyber threats
- Planning and implementing distribution modernization programs
- Improving customer engagement and customer operations
- Effectively planning infrastructure and fuel supply portfolios
- Developing and justifying fair and balanced rate structures

Why choose BVKN to develop your career?

- **Flexibility:** As a member of BVKN you will have the ability to accept assignments that best fit your schedule, professional skills and area of interest. Assignments vary in length, travel requirements and task types.
- **Skill Focus:** Members of BVKN often have unique skills and experiences. Examples of some of these skills might include expert testimony, facility operations, technical implementation, software or technology expertise or business development experience.
- **Variety:** As a global provider of management consulting services, you may have the opportunity to explore how your skills and experience support projects around the globe. The breadth of our projects also can open doors to new client experiences and help you continue to grow your current area of expertise.
- **Professional Networking:** BVKN is dedicated to providing access to resources members can use to grow and develop through regular email communications and online programs. As network members, you may have the opportunity to engage with other members as well as Black & Veatch professionals.
