

Design-Build Services

Providing resilient solutions to our Nation's mission-critical facilities, infrastructure, and programs worldwide.

BLACK & VEATCH

Arnold Engineering Development Complex

Restoration and Modernization
Arnold AFB, TN

Quality, Efficiency and Collaboration

Black & Veatch offers our clients the resources of a global organization combined with the responsiveness from a highly skilled, multiple-disciplined partner. Our integrated team collaborates closely with clients to develop and implement sustainable design-build solutions. We solve clients' challenges with design-build services tailored to the needs of the federal government. Our past performance has helped us earn our ranking as one of the nation's top design-build contractors.

Design-Build Services

- Designer of Record
- MILCON/New Facilities
- Sustainment, Restoration and Modernization (SRM)
- Civil Works Design-Build

Management of this contract was exceptional...Resources were well distributed throughout the team and were available to the Government at a moments notice. The flexibility and quick reaction by Black & Veatch displays the traits of a well managed organization.

Jared Olsen | Program Manager, USACE Baltimore | 17 February 2016
